plumbing ___ clerical ___ computer ___ donation drives ___ special events/fund raising ___

Other Talents or Abilities _____

Address _____ Phone _____

City _____ State _____ Zip Code _____

Volunteer/Community Service Agreement

The women of Abba House are our priority; their well-being and safety comes before volunteers and community service participants. Please read the following rules closely and sign below.

1. The women have a strict diet. I will not bring any outside food or drink besides waer on the property
2. No smoking allowed on Abba House property. I will keep cigarettes, over the counter meds, and other tobacco products locked in my vehicle.
3. The women are here to improve their lives; we ask that you respect their desire to change and keep in mind the struggles they have been through. I will not discuss prior drug use; this includes over the counter or prescription meds.
4. I understand that Abba House is a drug free program. I understand that I can be drug screened at any time. If I test positive, I will be asked to leave.

Release of Liability Agreement

I fully understand and agree that I am volunteering/working at Abba House on my own initiative. I understand that working at Abba House involves risks and dangers of bodily injury. These risks and dangers may be caused by my own activity, or inactivity, or the actions, or inactions of others participating in the activity. There may be other risks and social and economic losses either not know to more or not readily foreseeable at this time; I fully accept and assume all such risks and all responsibilities for such losses, costs, and damages I incur as a result of my participation in activities at Abba House.

I release Abba House from any liability. I understand that Abba House will not hold me responsible for any work I complete on Abba House property and any injury that comes from that work. Thank you!
